What is Teen Leadership training?

ChoiceCenter Leadership University is the leader in Personal Development and Leadership training, and believes it's never too early to start empowering young men and women to live responsibly and in contribution to others and the world.

Teen Leadership is a dynamic motivational and leadership workshop for teens between the ages of 13 and 17 who have a sincere commitment to create extraordinary results in their lives.

The course gives teenagers the opportunity to discover and redesign the limiting beliefs they have about themselves and others. It's these self-imposed limitations that keep them from fully achieving their maximum capabilities.

This redesign allows them to pursue their dreams and goals with new freedom and passion, and to create a solid foundation of powerful tools to use the rest of their lives in relationships, conflict management, and self discipline.

What's covered in the Workshop?

During the four days of training, students will participate in experiential education designed to create lasting results in the areas of:

- Confidence**
- Self Discipline**
- Authentic Relationship Building**
- Accountability**
- Time Management**
- Public Speaking**
- Expansion of Choices**
- Team Concepts (creating win/win)**
- Responsibility**
- Keeping Your Word**
- Integrity**
- Listening Skills**
- Forgiveness (of self and others)**
- Letting Go of Limiting Beliefs**
