

Teen Leadership

An Inspirational Leadership Workshop for Teens!

What is Teen Leadership training?

ChoiceCenter Leadership University is the leader in Personal Development and Leadership training, and believes it's never too early to start empowering young men and women to live responsibly and be in contribution to others and the world.

Teen Leadership is a dynamic motivational and leadership workshop for teens between the ages of 13 and 17 who have a sincere commitment to create extraordinary results in their lives.

The course gives teenagers the opportunity to discover and redesign the limiting beliefs they have about themselves and others. It's these self-imposed limitations that keep them from fully achieving their maximum capabilities.

This redesign allows them to pursue their dreams and goals with new freedom and passion, and to create a solid foundation of powerful tools to use the rest of their lives in relationships, conflict management, and self discipline.
